To Whom It May Concern:

Bill Jiminez of Aladdin Cleaning Service has been contracted to perform maintenance duties for our 4-story office building in Danbury effective November 1, 1993.

We are extremely pleased with Bill's work and the pride he takes in performing all tasks assigned to him. Since his arrival the general appearance of the building and its surroundings has improved greatly. Bill's attention to detail and tendency for perfection has not gone unnoticed ... several tenants in the building have made a effort to point out to our Board that he is extremely conscientious and the building has "never looked so good". As a matter of fact, some of the tenants have hired Bill to clean their offices on a regular basis.

I believe Bill would be an invaluable asset to any organization and would highly recommend his services to any prospective client.

Sincerely,

Nina C. DePass  
Board Secretary
